Dear Sirs,

The international affirmation of "The Small Montmartre of Bitola" Republic of Macedonia grows by the year. Likewise its activity continues in the year of 2017.

The propositions of the Small Montmartre of Bitola 2017, Republic of Macedonia, for the 36-th time have been sent to a large number of Embassies in the world, and so we are sending them to your Embassy, as well.

We kindly ask you to send these propositions to your Ministry of Culture or Ministry of Education soon as you have received them, so that they can be distributed to as many primary schools in many towns and cities of your country.

The Small Montmartre of Bitola, held every year from the 23rd to the 30th of May in Bitola, is a manifestation attended by 150 children at the age of 12-20 whereas children of the age of 4-20 can participate on the concourse for the International exhibition "Bitola 2017". During their 7 day stay, the participants create art creations on the theme Old Macedonian Architecture on open space, on the streets of Bitola, Ohrid and Krusevo.

Once again, we kindly ask your Embassy to insist upon the fast delivery of these propositions to your country.

The winners of the international concourse are expected on the 36-th "Small Montmartre of Bitola 2017".

Your faithfully.
